RABBI SHMUEL FUERST, Dayan, Agudas Yisroel, Chicago

Our shidduch organization, SimchaLink, has made over 80 shidduchim so far... and, had we had a system in place like ShidduchVision we would have made many, many more.

Jeff Cohn's innovation of the ShidduchVision system will only magnify the opportunity we have to introduce so many more Eligible singles to each other worldwide. This will also give the singles an opportunity to meet many more Shadchanim if necessary.

ShidduchVision opens up the field of Eligible singles like never before. I feel very strongly that every community must do their Hishtadlus to implement a Shidduch Vision studio in their area and to support the help it offers to each and every single. There is no doubt in my mind that anyone who becomes involved in helping solve what the Gedolim are calling one of the biggest crises of our time will receive special Brachos from above.

Mrs. Nina Siegal, Mrs. Faith Taragin Shabat- Shadchanim in Chicago

Having the distinct privilege of working as shadchanim for the past 25 years, we feel that ShidduchVision will dramatically increase the amount of dating opportunities without the inconvenience or high cost of long distance travel.

With the endorsement of foremost Rabbanim and with the help of professional shadchanim, ShidduchVision enables eligible singles to meet each other in an uncompromised, secure, comfortable environment.

We've seen it in action and we feel that, with time, as more cities utilize this valuable tool, we will be an important partner in helping make more shidduchim.
